Good Morning [REDACTED]

b6 -2

It was nice speaking with you yesterday. I am attaching the first of my two books. This one is a Middle grade childrens novel. It was the most fun to write.

The second book is the second edition of *Gangs and Law Enforcement*. [REDACTED] was my pre-pub contact back in 2006-07 and she reviewed the first edition. The second edition is being re-written as a criminal justice textbook for a Wolters Kluwer's subsidiary, Aspen Publishers. I will also be writing an Instructor's Manual as a companion to this book. I should be able to start sending chapters sometime late next week.

b6 -2

I'll be interested in your comments.

Thank you,

Linda M. Schmidt

I am writing to you from FBI Prepublication Review Office. My office's function is to review intended publications by current/former FBI employees to determine if the employee has included information obtained during FBI employment, which should not otherwise be released (e.g. classified information, sensitive techniques, pending investigations or prosecutions, personal privacy information, etc.).

One of your employees has submitted a portion of his resume to our office for review. I did not identify anything of particular concern, but I wanted to contact your unit first so that someone there can do a quick review before I send final approval to the employee. The submitted language is as follows:

FREEDOM OF INFORMATION ACT REQUEST

Dear Sir or Madam:

Under the Freedom of Information Act/Privacy Act (FOIA/PA), I respectfully submit a request for all information regarding deceased individual John F. Kennedy, Jr., also known as JFK, Jr., who perished in a plane crash July 17, 1999. As proof of death, I enclose a copy of a newspaper article, obituary, or death notice.

Information regarding John F. Kennedy, Jr. is available via the Federal Bureau of Investigation's electronic reading room on your FOIA website, however, this information is not currently up-to-date. I believe this information should be reprocessed since it has been longer than 10 years since this information was previously processed.

This is an individual request for research and study purposes, and I agree that I will pay up to \$30 for fees, if necessary. Please notify me in advance if fees are expected to exceed that amount. If the file is likely to result in more than 250 pages, I would appreciate receiving a digital copy of the file on a CD-ROM rather than in paper form.

Respectfully submitted,

Enclosures (2)

In response to your Freedom of Information/Privacy Act (FOIPA) request submitted to the Records Management Division at Winchester, VA, enclosed is a processed copy of the Newark Field Office file 149A-NK-100549, as well as reprocessed copies of the New York Field Office file 7A-NY-254901 and the Washington Field Office file 89A-WF-195316.

FBI Headquarters file 7-HQ-19719, which was previously released to you, was destroyed on May 11, 2007. The retention and disposal of records are governed by statute and regulation under the supervision of the National Archives and Records Administration (NARA), Title 44, United States Code, Section 3301 and Title 36, Code of Federal Regulations, Chapter 12, Sub-chapter B, Part 1228. The FBI Records Retention Plan and Disposition Schedules have been approved by the United States District Court for the District of Columbia and are monitored by NARA. This file, however, is still accessible through the FBI website at [www.fbi.gov](http://www.fbi.gov) or <http://foia.fbi.gov/room.htm> at no additional charge.

Additionally, Boston Field Office File 89A-BS-195316, which was previously released to you, was consolidated into Washington Field Office file 89A-WF-195316. This file has been reprocessed and is being released to you.

To minimize costs to both you and the FBI, duplicate copies of the same document were not processed.

Due to the condition of the original documents, we have found that some of the copies reproduced therefrom have been extremely difficult to read. While we realize the quality of some of the documents is poor, every effort has been made to obtain the best copies possible.

Your request for a fee waiver has been denied since the majority of the material was previously released to you. Our decision on this matter is based on the statutory standard and the fee waiver guidelines issued by the Department of Justice.

Pursuant to Title 28, Code of Federal Regulations, Sections 16.11 and 16.49, there is a fee of ten cents per page for duplication. Most of the information is being reprocessed for you, therefore, you will not be entitled to receive an additional 100 free pages. Upon receipt of these documents, please make a check or money order payable to the Federal Bureau of Investigation in the amount of \$21.40 for 214 pages. Please remit payment to:

Work Process Unit  
Record Information/Dissemination Section  
Records Management Division  
Federal Bureau of Investigation  
170 Marcel Drive  
Winchester, VA 22602.

Please include the FOIPA Request Number with your payment. Failure to pay for this release will close any pending FBI FOIPA requests from you. Nonpayment will also cause an automatic denial of any future FOIPA requests.

**RE: Terror's Dawn – Book II – The Web of Conspiracy**

Dear [redacted]

b6 -2

Enclosed please find a copy of the manuscript titled Terror's Dawn – Book II – The Web of Conspiracy. This manuscript follows my previously submitted and approved manuscript titled Terror's Dawn – Book I – A Storm of Terror.

Both of these books deal with the terrorist organization F.A.L.N., (hereafter FALN) who operated during the mid 1970s to early 1980s. The members of the FALN were tried and convicted, and subsequently most were pardoned in 1999.

As you will see I have conducted a great deal of research to compile this manuscript, including purchasing literally thousands of pages of court transcripts and filing. The manuscript is heavily footnoted to direct the reader, (and your office) to source material.

As I anticipate you will want copies of all source documents, I am in the process of preparing a full set of these along with a spreadsheet that will catalog the footnotes and sources. As the references will comprise hundreds of pages, I would ask if it is acceptable to send these documents as PDF files on a compact disk.

I am more than happy to make myself available to the assigned reviewer of this manuscript to answer questions and provide any other assistance required. I have studiously avoided discussing techniques that may be sensitive in telling this story. Please advise as to the manner in which you would like to receive the source material (hard copy or compact disk) at your earliest convenience.

Hello [redacted]

b6 -2

I am [redacted] Coordinator of the Prepublication Review Office. My office's function is to review intended publications by current/former FBI employees to determine if the employee has included information obtained during FBI employment, which should not otherwise be released. Examples would be classified information, Rule 6e, sensitive techniques, pending investigations or prosecutions, personal privacy info, FBI information not available to the general public through means such as FOIPA, the media or court records, etc.

As is more common than not, it is necessary that we call upon FBI "subject matter experts" to review the submissions of current/former FBI employees as the subject matter at issue is beyond the general expertise of my employees. It is in that regard, that I am contacting you.

Would you please have someone in your office review a portion of a manuscript that we received from Former Special Agent Richard Hahn (Retired) titled, "Terror's Dawn - Book II - The Web of Conspiracy." Mr. Hahn did receive approval of the first book in March of 2008. It did go through a rigorous review with modifications. We are still waiting for his documentation on the public sources he has drawn the information from and will forward also upon its' receipt. The documents are being sent to your office through the bureau mail. Please provide us your conclusions regarding the information in question. Should you have questions, please feel free to call or email me.

General Rules-We have 30 business days to respond to the author. We would like to respond to the requester as soon as we can. Also, as the material is proprietary information, it is not to be disclosed/shared beyond those persons involved in the review process.

Thank you,

Tdy,[A u] Hahn Book

g wtA1m[Huc] Footnotes SS.xlsx

Hi [REDACTED] – attached you will find the spreadsheet that articulates the various references upon which my work relies. I am sending a CD with all the references by Fedex today.

b6 -2

Not to be presumptuous, but I doubt you will have the need or inclination to check each and every one, but should you desire to do so, they are being furnished. I would add that in getting the okay to proceed on my first book, I came to the unit in Washington and sat down with the assigned personnel to assist them in going through the references. I would be happy to do that again if you thought it necessary.

As noted in my previous email, there are some references missing. The missing source documents are highlighted on the second page of the attached spreadsheet. I will dig the missing references out of my files in the next week or so and send a second CD with ALL references included. If you want hard copies just let me know.

I am ready and able to assist you in any way possible. As I have taken the time and effort to scrupulously document these works, I do know pretty much where all references are. But I also think it's worth pointing out that all FALN members who were convicted in these investigations are now out of jail, except Oscar Lopez. Most were freed under a clemency granted by President Clinton in 1999. Consequently, there are no litigation issues affected by this writing.

Please let me know if and how I can be of assistance in your mission.

Thanks in advance.

Rick Hahn

I checked the shelf and section 5 for serial 116, the serial is there but it does not state anything pertaining to having a bulky made up fir file number 259A-HQ-1523553. Serials 113-116 all pertain to your person but none have any mention of a bulky.

I did find 25 boxes for the file number 259A-HQ-1500149, not sure which one you would need because they are not marked on the outside on what is in each box.

Hi [redacted]

I'm taking over [redacted] position as Coordinator for prepublications. We need to retrieve correspondence and manuscript and any revisions to manuscript for Richard Hahn, titled, "Terror's Dawn: Book I-A Storm of Terror." It was initiated February 2006 and closed out in 2008. When I search through the 2007 and 2008 Case ID numbers for any associated serials for Mr. Hahn I am not coming up with any.

Is there another Case ID # for the 2006 year in the system by which I could locate initial documents for this submission? Mr. Hahn has submitted a second manuscript for subsequent events from this 1st manuscript.

Thank you for your time and consideration. If you have any questions, please give me a call or email.

I'm taking over [REDACTED] position as Coordinator for prepublications. We need to retrieve correspondence and manuscript and any revisions to manuscript for Richard Hahn, titled, "Terror's Dawn: Book I-A Storm of Terror." It was initiated February 2006 and closed out in 2008. When I search through the 2007 and 2008 Case ID numbers for any associated serials for Mr. Hahn I am not coming up with any.

Is there another Case ID # for the 2006 year in the system by which I could locate initial documents for this submission?  
Mr. Hahn has submitted a second manuscript for subsequent events from this 1st manuscript.

Thank you for your time and consideration. If you have any questions, please give me a call or email.

Re: Manuscript, "Terror's Dawn: Book I-A Storm of Terror"

Dear Mr. Hahn,

This letter is in response to your submission of a manuscript relating to the domestic terrorism organization, FALN, for review pursuant to the Federal Bureau of Investigation's (FBI) Prepublication Review Policy (PRP) (Manual of Administrative Operations and Procedures, Part I, 1-24).

Additional consultation was required with the FBI New York Field Office and the FBI Counterterrorism Division which resulted in a delayed response from this office. The manuscript was reviewed pursuant to the terms of the PRP and the reviewer noted the following listed matters which require amendment/correction:

1. The names of FBI Agents and surviving victims were used throughout the manuscript. Unauthorized use of third party information is prohibited. Therefore, without written consent from each named agent and surviving victim, their information should be withheld from disclosure.

2. The information contained in the manuscript could reasonably be expected to impede any future prosecutions against members of the FALN organization, unless it is derived from a public source. We will need to review the public sources used to create this manuscript.

The detailed nature of your manuscript presents challenges in ensuring that the FBI's prepublication requirements will be met. We will work with you on this endeavor. I recommend you contact [Redacted] at [Redacted]. Thank you for your participation in the FBI's prepublication review process.

[REDACTED] and [REDACTED] performed a technical review of the paper, and we did not find any information that would be a prohibited disclosure under para. 2.4 of the FBI's Prepublication Review Manual (listed below). Further, we did not find any information in the article that was acquired solely through his FBI employment. Instead, the technical concepts discussed included information that is widely available in academic, commercial and government areas of computer science and malware analysis. [REDACTED] would like to disseminate this article to the 7th Annual IFIP WG 11.9 International Conference on Digital Forensics which consists of computer forensic professionals who engage in this type of analysis, and not to the general public, and would include publication in their journal. The deadline for submission is October 15, 2010.
